COVID-19 UPDATE

In light of the current coronavirus pandemic and the decrees laid forth by both the federal government and the State of Minnesota, we want to take this opportunity to advise you of the steps being taken by Perkins Lumber Co. to comply with all suggested safety measures surrounding the virus. Our main objective is the safety and protection of our greatest assets, our employees and our community of customers. Perkins has magnified our efforts in the following.

- A) Increased vigilance in personal hygiene and cleaning of personal work spaces.
- B) Adherence to proper social distancing among employees and with customers.
- C) Staff has been instructed to stay at home if they are ill.
- D) Very limited access to store by vendor representatives.
- E) Encouragement to customers to use phone, fax, text and E-mail to conduct business with Perkins as much as possible.

The Department of Homeland Security and the State of Minnesota has recognized the Lumber and Building Material industry AND residential and non-residential contractors as "essential industries" and as such may continue to operate with precautions.

During this time (minimally through the month of April) Perkins will be offering free delivery within the city limits of Willmar, Spicer and New London. Nominal fees shall be charged outside of these areas. We encourage our customers to utilize this delivery service OR you may contact us to get materials together for pickup. VISA, Mastercard and Discover are accepted as forms of payment for non-revolving customer accounts. Delivery inside of occupied residences may be restricted.

See contact information below and above all stay safe!
